Hi Eric,

I've reviewed the document, and it looks good to go for director-level review. Thanks for everyone's input – the response is really well crafted and complete. Nice work!

Thanks Brian. Region 1 is wrapping up it's review today, and I know Jessica was also taking a look at it.

I intend to clean up the document and delete comments tomorrow morning, and will let the group know when it's ready.

As for next steps, I propose that management review concurrently in Regions 1, 2, and OAQPS by COB Friday. Then we can address remaining comments on 2/28 to allow R2 sufficient time to route for RA signature by 3/8.

Hi everyone,

I wanted to update the group that the due date for the Wainscott letter response is Feb. 22. We have a meeting scheduled on Feb. 14<sup>th</sup> to discuss our draft response. I assume we should aim to finalize by 2/18 to allow time for routing, final concurrence, and signature. The link to the blank document is included below.

Suilin – please let us know if this timeline needs to be adjusted.
